General Information:

The City is seeking proposals from qualified consultants to provide program management for the Safe Parking Pilot Program. Proposers can be nonprofit organizations or independent consultants. The consultant will work with the city's Community Services Program to manage five host sites and up to 15 households/vehicles participating in the program. The Program Manager will be responsible for intake, coordination of host sites, and case management of guests using existing community resources to transition people sleeping in their vehicles into housing. The overall division of work between the Program Manager, host sites, and the city's Community Services Program and additional information can be found in the solicitation document. **To download the solicitation please go to www.BeavertonOregon/bids to register and download.**
