Subject: Partitioning of Property at 10510 SW 155th, WA Cty Tax Lot 00100

Dear City of Beaverton,

We strongly oppose the partitioning of the property at 10510 SW 155th, WA Cty Tax Lot 00100 and the removal of 18 trees to do so.

This is not congruent with the esthetics and purpose of the area. It will negatively impact wildlife, degrade quality of life, decrease property value, and increase neighborhood traffic.

Beaverton used to be an incredible city to live in. Homes, condos and apartments have since been crammed onto subdivided lots, greenspaces are disappearing at an alarming rate, and parking and traffic is abhorrent and remains unaddressed as compared to the rate of homes being built.

Murrayhill is a wonderfully master-planned community and the only area in Beaverton where some semblance of an established, well cared-for, well-planned, neighborly community remains. Please don't destroy the last bit of Beaverton that makes living here worthwhile.

Respectfully,

Traci and Dennis Kramer
