Dear Ms. Sasin

We received a notice of a development proposal on 8-20-16, project name SW 155th 3-Lot partition. We object to this proposal – we believe sub-dividing this property to three lots would be detrimental to property values in the area due to overcrowding, increased vehicle traffic, and reduction of green space. We object to the removal of 18 trees from the site.

We have been residents since 2000 and we do not want to see our neighborhood degraded due to this proposal. Please reject it.

Sincerely,

 Mark & Nancy Moore
